## **Kuehne+Nagel and DAF Trucks Poland became the logistics partners of the Warsaw Marathon and Warsaw Half Marathon**

- **Partnership of Kuehne+Nagel and DAF Trucks Poland with the Warsaw Marathon Foundation**
- **Logistics of deposits in Kuehne+Nagel semi-trailers transported by DAF Trucks Poland road tractors**
- **Promoting an active lifestyle among company employees**

Warsaw, PL, 8 September 2021 – Kuehne+Nagel and DAF Trucks Poland will be the logistics partners of the 43rd Warsaw Marathon and 15th Warsaw Half Marathon, which will take place on September 26 in Warsaw. The companies will be responsible for the deposits logistics. The competitors will be able to deposit their belongings in specially marked Kuehne+Nagel semi-trailers, which will be transported by DAF Trucks Poland road tractors. Both companies were selected due to the key role which they play in the Polish transportation market.

“The mission of the “Warsaw Marathon Foundation” is consistent with the values cherished in Kuehne+Nagel. Supporting employees in realizing their ambitions is an inseparable part of the culture of our organization. We believe that the balance between professional and private life allows our employees to develop their own passions and self-fulfillment. We are glad that this year we can participate and be logistics partner of such prestigious event” – comments Wojciech Sienicki, National Managing Director of Kuehne+Nagel Poland.

“DAF Trucks Poland supports physical activity as an extremely important element of development in a holistic approach to human health and performance. These are inextricably linked to DAF's philosophy of traveling the extra mile to provide the right transport solutions for the working conditions. Being closest to the customer and the market requires high operational efficiency. Fortitude and perseverance are forged as a result of the realization of personal ambitions during healthy sports competition, which is why we invite all interested parties to participate in these and subsequent struggles. We also invite you to our stand at the Fountain Park, where we have prepared a number of attractions, including the first public presentation of the New Generation
