KOKI Group partners with Kuehne+Nagel to optimise its European distribution

- **Network expansion with two new fulfilment centres in Poland and Belgium serving 18 countries**
- **Integrated systems for agile, multi-country operations and seamless cross-border logistics**

Schindellegi / CH, February 24, 2026 – KOKI Group, a Japan based power and air tool manufacturer, has entrusted Kuehne+Nagel as its logistics partner to strengthen and streamline its distribution capabilities across Europe. By leveraging Kuehne+Nagel's extensive expertise in managing complex logistics operations, KOKI Group aims to optimise the delivery of its cordless power tools and related products to both business and consumer markets throughout Europe.

With dedicated fulfilment centres located in Dąbrowa Górnicza, Poland, and Tessenderlo, Belgium, this collaboration allows KOKI to efficiently supply customers across 18 countries in Central, Eastern, and Western Europe with power and air tools The two fulfilment centres, spanning 10,000 sqm, support flexible scaling of operations to meet evolving business requirements. The partnership covers a wide range of logistics services, including warehouse management, order fulfilment, distribution, customs handling, and value-added services such as co-packing.

Kuehne+Nagel has delivered a comprehensive integration of its warehouse and transport management systems with KOKI's enterprise resource planning platform for seamless multi-country connectivity. This integrated approachensures the flexibility and readiness needed to enter additional markets in future.

Daniel Letzgus, CPO of KOKI Group, says: "We chose Kuehne+Nagel for their expertise in complex, pan-European logistics and tailored distribution solutions. Their team showed great commitment and industry knowledge, and the professional launch in Poland and Belgium gives us confidence in a strong, long-term partnership."

"The partnership with KOKI Group reflects a shared vision for delivering seamless, end-to-end logistics solutions that anticipate evolving market needs," says Stephanie Kearney, Head of Contract Logistics EMEA of Kuehne+Nagel. "With our integrated systems and expert teams on the ground, we are well-positioned to support KOKI Group's ambitious expansion, ensuring their customers benefit from reliable, agile supply chain operations throughout Europe."
